Stainless Steel Materials

- 201, 301, 304, 316 Stainless
- Annealed 1/4H, 1/2H, 3/4H, Full Hard tempers
- 409, 410, 430 Stainless
- Finishes 2D, 2B, 2BB, BA, #3, #4, #8

Stainless Slit Coil, Strip

- .005 - .187 gauge range
- .25 - 60" wide · +/- .005" width tolerance

Slitting Capacities

- Oscillate wound coils
- .005" - 7 ga stainless sheet and strip
- .187 - .500 CMP
- .010" - .187" aluminum
- .25 - 60" width range
- +/- .005 width tolerance

Stainless Sheets and Blanks

- .010 - .250 gauge range
- 4.00 - 61.00" width range
- 6.00 - 240.00" length range
- PVC, Laser Guard, and Nitto protective films available

Aluminum Alloys

- 3003, 3004, 3105, 5052 alloys
- 0-Temper, H1X, H2X, H3X, Tempers

Aluminum Sheets and Blanks

- .010 - .187 thickness range
- 4.00 - 61" wide
- 6.00 - 240.00" length range

Pre-Painted Aluminum

- Stock White and Black Trailer Stock
- Color matches upon request
- Available in Sheets and Coil
- Paper interleave and PVC surface protection

Stainless and Aluminum coils

Value Added Services

- Precision Edging and deburring
- Line Marking and stenciling
- Neutral Packaging
- Laser Cutting
- Small quantity custom sheared blanks - quick turnaround

Industries Served

- Stampers
- Signs
- Agricultural Equipment
- Kitchen Equipment
- Automotive and Transportation
- Sheet Metal Fabricators · Energy
- Conveyors and OEM Equipment
- HVAC Specialists
- Construction and Roofing Products
- Recreational/Fitness Equipment
- Electrical/Electronic Enclosures

Quality

- SPC on production equipment
- ISO 9001-2000
- Materials and QA processes meet Government and MIL Specs.

Delivery

- Vendor Managed Inventory
- Hold For Release Programs
- JIT Manufacturing / Multiple Releases
- Prompt Service
- Nationwide Shipping
- West Coast Packaging

Other specialty and non commercial grades available on an inquiry basis.
